Theory of Marxism

学科门类：法学（03） 一级学科：马克思主义理论（0305）

Discipline Category: Law (03)

First-Class Discipline: Theory of Marxism (0305)

一、学科简介

马克思主义是科学的世界观和方法论，是反映客观世界特别是人类社会本质和发展规律的科学，是关于无产阶级和人类解放的学说。对马克思主义既应该从哲学、政治经济学、科学社会主义等方面进行分门别类的研究，更应该进行整体性研究，以利于完整地把握它的科学思想体系。“马克思主义理论”学科，就是对马克思主义进行整体性研究的一级学科。

马克思主义理论学科注重马克思主义理论的整体性，旨在研究马克思主义基本理论及其教育实践的规律，其根本研究方法是辩证唯物主义和历史唯物主义，在研究中强调理论与实践、逻辑与历史、继承与创新、科学性与意识形态性的辩证统一，坚持马克思主义优良学风、科学精神和科学方法，不断增强马克思主义学术创造力，形成体现马克思主义立场、观点、方法的话语体系，促进马克思主义的当代发展，努力提升马克思主义理论学科的国际影响力。

河海大学是在全国较早传播马克思主义思想的高校之一，其历史可追溯至成立于1915年的“河海工程专门学校”时期。马克思主义理论学科创立于1952年，1980年代开始培养硕士研究生，1993年获得硕士学位授予权，2005年获得博士学位授予权。2012年设立博士后流动站。学科整体水平居于全国前列，思想政治教育等领域在全国处于领先地位。

马克思主义理论学科所在学院为马克思主义学院，现拥有法学、哲学两大学科门类。学院现有教职员工69人，其中教授18人，副教授24人。2018至2021年期间，马克思主义学院承担国家社科基金课题和教育部人文社会科学基金16项，课题经费达700余万元。出版学术专著与各类教材22

部；发表学术论文 400 余篇。毕业生主要从事高等学校、党政机关、研究机构以及其他企事业单位的马克思主义理论研究、宣传和教育工作。

I. Discipline Overview

Marxism is a scientific worldview and methodology. It is a scientific theory that reflects the objective world, especially the nature and the law of the development of human society. It is also a scientific theory on the liberation of the proletariat and human beings. Marxism should be studied in different categories from the aspects of philosophy, political economy, scientific socialism, and so on. More importantly, it should be studied as a whole, so as to fully grasp its scientific ideological system. The discipline of Marxist theory is the first-level discipline that studies Marxism as a whole.

The discipline of Marxist theory focuses on the integrity of Marxist theory, aiming at studying the basic Marxist theory, and the practice and laws of its education and teaching. The fundamental research methods are dialectical materialism and historical materialism. In the research, it is emphasized that theory and practice, logic and history, inheritance and innovation, and scientific nature and ideological nature should be in dialectical unity. The excellent study style, scientific spirit and scientific method of Marxism need to be persevered in order to constantly enhance the academic creativity of Marxist and form a discourse system that embodies Marxist standpoint, viewpoint and method. This could promote the contemporary development of Marxism and strive to enhance the international influence of the discipline of Marxist theory.

Hohai University is one of the earliest universities that spread Marxist ideas in China. The history could be traced back to the period of "Hohai Engineering College", which was established in 1915. In the university, the discipline of Marxist theory was founded in 1952. Postgraduate students' cultivation in this discipline was started in 1980s. In 1993, it received the right to grant master's degree, and in 2005, the right to grant doctoral degree. In 2012, a post-doctoral research station was established. The general level of the discipline ranks in the forefront of the whole country. For instance, ideological and political education and other majors are in a leading position.

The college where the discipline of Marxist theory is located is College of Marxist, which now has two major discipline categories: law and philosophy. The college has 69 faculty members, including 18 professors and 24 associate professors. From 2018 to 2021, the college undertook 16 research projects of National Social Science Fund and of Humanities and Social Science Fund of the Ministry of Education, funding of more than 7 million RMB, publishing 22 academic monographs and various teaching materials and more than 400 academic papers. Graduates are mainly engaged in the research, propaganda and education of Marxist theory in universities, party and government administrations, research institutions and other enterprises and government affiliated institutions.
